

How to fight against
your invisible enemy

THE
SECRET
WAR

You have an enemy who is attacking your mind every day!

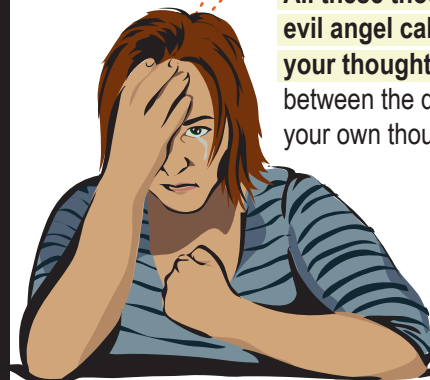

Here is how you can tell...

- Do you have evil thoughts which you can't control?
- Do you sometimes feel sudden fear?
- Do thoughts about the past keep coming back?
- Have you thought of hurting yourself?

All these thoughts are coming from your enemy -an evil angel called the devil! These thoughts are NOT your thoughts. You need to learn how to tell the difference between the devil's thoughts, God's thoughts and your own thoughts.

If you keep having evil thoughts, the first thing you need to know is that God loves you and would not torture you with evil thoughts!

Now that you know these thoughts are coming from your enemy, you can prepare yourself to fight this secret war!

The enemy is always planning to attack you again.

How can you prepare? When the devil attacked Jesus, He quoted the Bible and the devil ran away. You need to read the Bible so that you will have more weapons to fight against these attacks.

We have proven these things to be true in our lives and we are passing them on to you. We may never meet, but God is strong enough to protect you and to show you what to do. As you read the Bible every day and humbly ask Him for wisdom.

Ask God to help you find a Bible-believing church so that you can be encouraged by true followers of Christ.

DECLASSIFIED

You may ask, "WHY are these thoughts coming against me?"

When God created the first man and woman they chose to turn away from Him and follow the devil's lies. Unless we turn back to God the devil is able to fill us with his thoughts. The only way to get the devil to leave us is to confess to God that we have disobeyed Him.

You may say, "What have I done to disobey God?"

The Bible tells us about the things which God hates.

God's Commandments

- God says that we must have no other gods in our lives. Is there something you call "god" (or some opinion about God) which you have created in your own imagination? This false "god" is taking the place of the true God. Do you have a false "god" in your life?

- God says that we must not use His name as a curse word. Have you done this?

- God says that we must not kill—or even hate others. Have you hated someone?

- God says not to lust. Have you looked at someone with lust?

- God says that we must not lie or steal. Have you ever told a lie? Have you stolen anything?

- God says not to be jealous of what other people have. Have you done this?

If you have done these things, then you have broken God's laws.

If you want to walk in the devil's way then you will not be with God when you die.

why?

The penalty for rebellion (which is the same as witchcraft) is to be separated from God forever. Rebelling against God also makes your life a hell on earth!

THE TRUTH

God never wanted men to go to hell. God did not make hell for people but for the devil. Those who reject Jesus Christ are choosing to be separated from God.

THE HISTORY

God sent His Son, Jesus Christ, to earth. He became a man. Men rejected Him and killed Him. His death on the cross paid the penalty for our sin. He rose from the dead to show that He has power over death.

THE CHOICE

Anyone who turns from their sin and believes that Jesus Christ is the Son of God will be saved from eternal death. Cry out to God and ask Him to forgive you! Tell Him that you believe that Jesus Christ is God's Son and that you want to belong to Him.

If you confess with your mouth the Lord Jesus and believe in your heart that God has raised Him from the dead, you will be saved. Romans 10:9

You might pray like this:

“Dear Heavenly Father, I confess that I have broken your law by doing _____. Please forgive me. I believe that Jesus Christ is the Son of God and that He died to pay the price for my rebellion against You. I believe that He rose from the dead. Please take control of my life forever.”

The enemy is not allowed to touch you after you belong to Jesus.

If you get any more evil thoughts you can overcome them by holding onto God's words from the Bible. The devil will run from you.

» If the devil does not run then you need to ask God to show you why. «

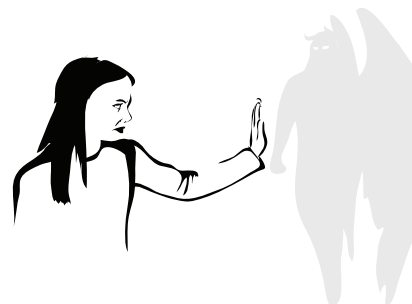

One reason may be that, at one time, you have given some invitation in your life to the devil. All you need to do is to ask God to show you what it is and then tell God that you are taking this part of your life back and rejecting the devil.

You might pray like this:

“Dear Heavenly Father, I take back anything which I have given to the devil. I do not want any part of him in my life. Please forgive me and take this evil away from me. I pray this in Jesus' name.”

DO NOT GIVE TERRITORY TO THE DEVIL.

Ephesians 4:27

Another reason the devil continues to attack some people is that they have something in their house which belongs to the devil. It may be pictures or movies or idols or anything else which has no business being in your house. If you destroy these things and turn away from them, the devil will leave.
